### Introduction

#### Classification

```
( )
2.1
                                         . , (tropical grasses, warm-season grasses,
) (temperate grasses, cool-season grasses, )
2.2
2.3
      (life cycle) .
                        2\sim 3 . 1 , , 2 ( ; short-lived grasses) .
2.4
            (soiling crop, zero grazing, green chop), (succulent forage crop), (pasture plants)
```
